INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Blood: Water Mission, Inc.
1108 McKennie Ave Suite 290
Nashville, TN 37206

Opinion

We have audited the accompanying financial statements of Blood Water Mission, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Blood water Mission, Inc. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

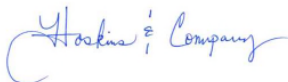

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Blood: Water Mission, Inc.'s 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 14, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2021
(with comparative totals as of December 31, 2020)

NOTE 1--NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Blood: Water Mission, Inc. (the Organization) is a not-for-profit organization located in Nashville, Tennessee that operates an international nonprofit that partners with African community-driven organizations to end water and HIV/AIDS health disparities through organizational strengthening and financial support. All of the Organization's income is derived from donations from individuals, churches, companies, and foundations.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly, revenue is recognized when earned, support and promises to give are recognized when received, and expenses are recorded when incurred.

The financial statement presentation follows the recommendations of the Financial Accounting Standard Board's Accounting Standard Codification 958 (FASB ASC 958). Under FASB ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, and net assets with donor restrictions.

Financial position and activities are classified based on the existence or absence of donor restrictions as follows:

Net Assets without donor restrictions — Net assets that are not restricted by purpose or time either temporarily or perpetually by explicit donor stipulations or by law. Board designation does not constitute a donor restriction.

Net Assets with donor restrictions — Net assets that are restricted by purpose or time either temporarily or perpetually by explicit donor stipulations or by law.

At December 31, 2021 and December 31, 2020, the Organization had \$100,000 and \$307,250 in Net assets with donor restrictions respectively.

Donated Services

Donated services that require specialized skills and would be purchased if not provided by the donor are recognized as support and expenses based on the fair value of the services received. From time to time the Organization receives donated services from professional musicians for which the value is difficult to estimate. No amounts have been reflected in the financial statements for these services since they do not meet the criteria for recognition under the Financial Accounting Standard Board's Accounting Standard Codification 958 (FASB ASC 958).

NOTE 1---NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions and Expenses

Expenses are classified functionally as a measure of service efforts and accomplishments. Direct expenses, incurred for a single function, are allocated entirely to that function. Joint expenses applicable to more than one function are allocated on the basis of objectively summarized information or management estimates

Use of Estimates

The preparation of financial statements in conformity with the accrual basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers cash and all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Advertising & Promotion

Advertising and promotional costs are expensed as incurred. For the years ended December 31, 2021 and December 31, 2020, advertising and promotional expenses totaled \$22,536 and \$6,252 respectively .

Compensated Absences

Employees of the Organization are entitled to paid vacation and paid sick days depending on job classification, length of service, and other factors. It is practicable for the Organization to estimate the amount of compensation for future absences; accordingly, the liability for compensated absences has been recorded in the accompanying financial statements under accrued liabilities.

Income Taxes

The Organization is a tax-exempt entity under Section 501 (c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax is considered necessary. The Organization has adopted the guidance in ASC 740 on accounting for uncertainty in income taxes. For all tax positions taken by the Organization, management believes the likelihood is greater than 50 percent that the full amount of the tax positions taken will be ultimately realized. The Organization incurred no interest or penalties during the year ended December 31, 2021.

NOTE 1---NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Fixed assets, consisting of office equipment and furniture and fixtures over \$700, are reflected in the statement of financial position at cost if purchased or fair value if contributed. Donated assets with donor stipulations as to specific purpose(s) are reported as restricted contributions until it is placed in the service for which it is restricted. Depreciation, which is reflected as an expense in the statement of activities, is computed on the straight-line method over the following estimated useful lives:

	<u>Years</u>
Leasehold improvements	15
Furniture and equipment	5—7
Intangibles (Software & Website)	3

Functional Expenses

Management allocates expenses on a functional basis among its various programs, including support services and fundraising activities. Expenses and support services that can be identified with a specific program are allocated directly to their natural expenditure classification. Other expenses that are common to several programs are allocated based on various relationships.

Merchandise Inventory

Merchandise inventory consists of items purchased for resale and are stated at lower of cost or market determined by the first-in-first-out (FIFO) method.

In-Kind Contributions

The Organization receives in-kind contributions which has consisted of food and drinks for fundraising events as professional sound equipment and stage lighting. There were no in-kind donations for both 2021 and 2020.

Summarized Prior Year Comparative Financial Statements

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should only be read in conjunction with the Organization's financial statements for the year ended December 31, 2020, from which the summarized information was derived.
